

AI Generated Bug Report

Bug ID	BUG-001
Title	Verify Holiday Booking Restriction
Severity	Medium
Priority	Medium
Environment	Chrome, Windows 11
Pre-condition	Customer is logged in and has a valid vehicle registration number.
Steps to Reproduce	1. Log in to the customer portal. 2. Navigate to the service appointment booking page. 3. Select a date that falls on a recognized holiday. 4. Attempt to submit the booking request.
Expected Result	An error message is displayed indicating that booking is not allowed on holidays.
Actual Result	The appointment is booked successfully without any error message, allowing bookings on holidays.
Status	Open
